

Objectifs pédagogiques

Reflex'English Grand Débutant est une méthode interactive d'apprentissage de l'anglais qui s'adresse aux vrais débutants et offre tous les moyens indispensables pour acquérir ou réviser les bases de l'anglais. L'apprentissage est axé sur les situations de la vie courante qui servent de prétexte pour introduire le vocabulaire, les fonctions et les constructions grammaticales de la langue.

A la richesse du contenu s'ajoutent les dernières technologies de pointe.

Parmi les sujets abordés : Se présenter - Se renseigner - Se déplacer - Se loger - Se nourrir - Se divertir - A la banque - A la poste - A l'hôtel - A la pharmacie - Au téléphone - Au restaurant - Au magasin - En voyage...

Compétences linguistiques

Compétences langagières - comprendre et s'exprimer en anglais

De niveau débutant à faux-débutant, le cours est organisé autour de différents thèmes et couvre les compétences langagières - expression écrite et compréhension écrite et orale :

Compréhension écrite - Textes

Des activités basées sur des textes en anglais (script des vidéos) permettent d'améliorer la compréhension écrite de la langue.

Compréhension orale - Enregistrements sonores/Animations/Vidéos

- De nombreux enregistrements audio permettent une immersion rapide dans la langue anglaise.
- Les animations présentent le vocabulaire usuel en anglais.
- Une suite de films animés présentés dans des leçons est destinée à accompagner, souligner et expliquer le vocabulaire en anglais.

Temps moyen de formation

40 heures

Niveau de granularisation

50 Modules comprenant de multiples jeux-exercices interactifs et stimulants.

Pré requis technique

- Navigateur web : Chrome, Firefox, Safari, Edge, Android, iOS
- Système d'exploitation : Mac, Windows, Android, iOS
